The Most Stylish Gifts Money Can Buy

To *really* surprise a man this holiday season (in the good way), one need look no further than the goods here. Luxurious, sure, but also the sort of things not easily forgotten — or maybe ever.

For the Lakeside

Despite its lo-fi Web site — or perhaps because of it — Oyster knows how to elevate the bamboo rod to artisanal glory: bronze finishes, nickel-silver hardware, hand-selected hardwood. And, well, it's just beautiful. For the boat, we mean. Or the wall.
